- Ability to both seasonal and year-round living.
- Nearness to the center of the city of Varna and the Varna airport.

We present to your attention a complex that provides you with the opportunity to live in the best area to stay in Varna.

If you want to live in a quiet, but at the same time very advanced position, close to the best beaches and plenty of thermal springs, the complex will answer all your requirements.

Description

The complex is located a 1 kilometer from the sea and 6 km from the center of Varna, in the direction of Golden Sands, in the area "Evksinograd", near the resort of St. Konstantin and Elena. Varna - the second largest city in Bulgaria and proclaim officially the best city to live in Bulgaria. Today Varna is called "the pearl of the Bulgarian coast," and also the "summer capital of Bulgaria".

Varna offers you the largest variety of entertainment, attractions, rich cultural life, lots of green parks, as well as a unique opportunity to improve their health and enjoy the thermal springs located on the territory of the resort of St. Konstantin and Elena.

The complex is located in close proximity to the royal residence Evksinograd (from the ancient name of the Black Sea - Pontus Euxine), which occurred its name. The residence Evksinograd washed clear waters of the bay and is surrounded by the majestic park, the number of plants which includes more than 310 species. In the park of the palace have survived rare amazing Bulgarian flora and unusual plant species from around the world. In our time here hold formal governmental and presidential receptions. Since 2007, in the courtyard hosts an annual festival of opera. Very popular among tourists is not only an architectural structure, but also its surrounding bronze statue and a small romantic lake near the park.

The complex is designed as a luxury gated complex for permanent residence.

The apparent advantage is property location. The complex is located in the green area of the city of Varna, close to the Botanic Gardens and within walking distance of thermal springs. Due to the specific location of many apartments have panoramic sea!

Facilities

- The complex will have an outdoor swimming pool.
- Open parking lot and 24 hour security.
- A kilometer from the complex there is a botanical garden of Varna, a great place to walk, picnic and recreation.
